Acclaim Benefits Continues Our *Live Green* Campaign

Effective March 2, 2009, Acclaim Benefits will discontinue distribution of our **Reimbursement Request Form** as an insert with outgoing reimbursement checks and ACH letters to participants. This decision will effectively reduce unnecessary paper usage in support of our ongoing "Live Green" initiative.

Reimbursement Request Forms are available for download from our website at www.acclaimbenefits.com, or may be requested by contacting FSA customer service at Acclaim Benefits.

FACT: One tree makes 16.67 reams of copy paper or 8,333.3 sheets. The discontinued insertion of this one paper form will save approximately 30 trees every year!

Watch for more Live Green initiatives from Acclaim Benefits in 2009.

If you have any questions please contact your Account Manager at Acclaim Benefits.

Thank you,
Acclaim Benefits
